FREELANCE DEVELOPMENT EXPERIENCE

Freelance Application and Website Developer | Addis Ababa, Ethiopia | 2025 - Present

Training and Competency Management Canvas App - *Adore Care Services* | June 2026

- Developed a role-based Microsoft Power Apps Canvas application backed by Dataverse for support-worker training and competency management.
- Enabled workers to open assigned learning modules and complete quizzes, while trainers assessed and signed off competencies.
- Provided managers with worker-progress reviews and Excel report exports; used Power Automate to connect and automate application processes.

Community Service Website - *OmniCare Community Service* | 2025

- Built a WordPress website for a community-service organization, creating a clear online presence for its services and organizational information.
